

## PRESS INFORMATION

### **ELEPHANTS come to Gardening Scotland 2009 .....**

A herd of Elephants are travelling to this year's premier gardening event. But fear not Scotland, we are talking about the newest and hottest brand of beanbag. **Elephant Beanbags** are being launched by Just Seating, a young company from the East End of Glasgow. They hope to cause a stampede with their range of all-weather Jumbo-sized beanbags and are showcasing their vibrant "**blooming**" range at Gardening Scotland 2009.

Elaine Wood, sales executive explains .... "England and Europe can't get enough of our Elephant Beanbags and we at Just Seating are hoping that the wonderful folk of Scotland will give our herd of big boys a good home. Our beanbags are funky, fun and cool and can be used outdoors & indoors. We are confident that they will go down a storm at Gardening Scotland."

Sales Director, David Cairns agrees "We could not miss this opportunity to exhibit at Gardening Scotland, a wonderful event for the whole of Scotland to enjoy & be proud of. Our success at The Scottish Baby Show last month, where our BeanBags literally *charged* out the door has given us, as a new & young company a superb boost and a new found optimism that in this economic climate is refreshing. We are so excited about the show, that I have decided to offer an extra 30% off our regular internet prices to all Gardening Scotland visitors."

Beanbags are now very much back "In Vogue" due to their low cost & adaptability ... they can be a sofa, bed, lounger, chair in any room in your home, garden or conservatory. They come in a dazzling array of paint-box colours and patterns in both Jumbo & Junior sizes and are a great addition to any home or garden. Made from a strong durable nylon with pvc backing makes them fully wipe clean, and shower resistant. They will last for, well, as long as an Elephant !

Elaine concludes "Our beanbags are fun and really do make you smile !... so we really are hoping that our sales will "flourish" at Gardening Scotland - come along and visit us on stand 23 in the main hall and be engulfed in their gigantic, squashy comfort"
